A f words is all that is necessary to make anown the history and wonderful curative powers of this astonishing remedial age at the Highland Bitters, or solebrated to deb Stomachic, which has proved itself nevery instance, to be the only paneca or rue talisman of health to the sick and afflicted of every nation and of every clime I was discovered by Sir George Hallangal.

M. D., F. R. S., Professor of Military Surgery in the fur famed University of Edinburgh, Scotland. When climatic diseases were cutting off in thousands the British and Franch soldiers in the Crimea, during the Russian war. Sir George Ballangal was appointed by her Majesty, Queen Victoria, as chief of the medical Commissioners, to investigate, in a scientific manner, the extraordinary longevity and remarkable good health which has always characterized the inhabitants of the Scottish Highlands and the causes which lead to such deployable results to the same individuals when exposed to a change of climate

Be, Str George, decoursed

By patient research that the Highlanders had been in the habit of using a certain combination of herbs and roots; indigentum to their native hills and glens, which, when combined with oriental aromotics, was found to be the most superlative invigorator and builder up of the human sytem, which the world of suffering humanity has very known.

Were fully tested, and crowned with unpre-cedented success in every instance where its rtues were tried; and it might have been truly said that the good time had come at

Equal to every emergency, the origina recipe was handed over to a respectable firm of phurmaceutical chemists in Edinburgh, who have prepared it exclusively, till its introduction into the Southern States a shorttim ago. And it may be mentioned as a conclusive proof of its intrinsic merit, and superiority over all other preparations or stomach medicines, either in Europe or America, that upwards of TOO,000 dozen caported to all parts of the habitable glabe.

The attrabate of the Restrict Posse is to prevent as well as cure, by attacking is to prevent as well as cure, by attacking

Is to prevent as well as cure, by attacking the root of the complaint, and thereby removing the hidden cause of disease, by gently stimulating and rectoring the drooping energies of the system, and sesisting nature in her task of vital and functionary reformation. To every one suffering from Billions and liter Complaints, Dispersia, Indigention Huntburn, Loss of Appetite, Debility, Sick Headachs, Contiveness, Impurities of the blood, and all affections of the Stomars, Liver and Bowels, it is invaluable; and

CAMP NEAR UNION MILLS, VA., 1 October 22, 1861. Col. M. N. Ward :

Our regiment being ordered off on picket duty this morning, and I left sooner, but who was to blame we behind on account of the disagrees- could not tell, but knew that it was P. S. We have just heard the ble weather and a very severe cold, I have thought that it would be a very appropriate time to give you a pay up to the 1st September, and ev. 18th Mississippi Regiments and one little sketch of what is and has been transpiring in this region for the last fortnight; although from the Star, that Lieut, Ward received this morning, I notice a very interesting communication from the Blues, under the signature of "Jim," which so far exgels my feeble attempts, that could I find him out, I would prevail upon inform you also that, besides this, he Bryde, of our company, has been him to continue a regular correspondence with the Star. Allow me for dence of all, over whom he has com- intent, stationed at Richmond. pastime, however, to notice what has

transpired since he wrote. Since our departure from Edsol's Hill, things have been constantly Adjutant (Inge, from Corinth) is no changing. At all times of night you doubt well known to you all. He can hear the shrill whistle of the locomotive, conveying extra baggage to Manassas, and bringing more call on him, and he is ever ready to troops in advance; the jostling of entertain you. All reports in regard regiment wagons over the stony to our dissatisfaction is entirely unroads, &c. Our whole army has fal- founded, for I do not think that len back, and now occupy position on there is a Regiment in the service Bull Run. Our regiment left Camp that gets along more pleasantly. Masked Battery on last Tuesday night, and pitched tents in the mornit would require quite asuperior force to drive us from our position. It is hard here for one to find out the movements of our army, and I am, therefore, at a loss to know what is purpose of having a better position, saries. purpose of having a better position, and drawing the enemy from their entrenchments. Whether by this movement we have succeeded any I cannot say, but from all our rapid retreats, the various orders that come list of the sick sent off, in this letter.

saries.

The sick from our Regiment have joke in Washington circles. While walking leisurely up Pennsylvania avenue, a short time since, where omnibuses marked "Seventh street" pass, he was accosted by a very pretretreats, the various orders that come list of the sick sent off, in this letter, to us daily, and the exclusions of citizens from inside the lines, I am forThe pravailing complaint seems to far those streets go?" The "special" who unfortunately aspirates the "H" is fast approaching. The General will be better cared for at the hospi(Ewell) has appointed from our regital than if they were in camp. Sgt. from him, with the remark, "I mishave been honored by a selection from their ranks. The favored individual is John W. Jones. He seems to be highly delighted with the privilege granted him, of tramping around or their lines, and gaining all the information possible, and occasionally taking a shot at some of them. They are gone frequently for a week at a time, and by them we obtain a R. J. Matthews; 2d Corporal, T. W. great deal of valuable information.

ting of three of the enemy's pickets. Major General Van Dorn has arrived, and assumed the command of the 6th and 2d Brigades. His quarters are within fifty yards of our camp. He reviewed our Brigade on last Sunday, and seemed to be well pleased with its soldierly deportment. The General presents a fine appearance, and I have no doubt will win laurels, should his command be en-

I am sorry to inform the readers of the Star, that the health of our lovel and Major has been bad for al weeks, but I believe they are oth able to go around. Lieut. the Colonel was up g mes, end a more
